ADMINISTRATION
AND
FACULTY

BOARD OF EDUCATION.

In the monthly meetings, Herrin Unit No. 4 Board of Education deals with the many problems of Herrin High School. The Board consists of Mr. Dale Young, president; Mr. Fred Colombo, Mr. Gene Elkins, Mr. Jack Murray, Mr. Dayton Franklin, and Mr. Woodrow Dann. Not pictured is Mr. Jack Snyder.

RUSSELL EMERY is the dynamic force heading the Herrin Unit. He tackles his duties with exuberance and vitality. His door is always open to faculty, students, and parents. An avid golfer, he carries his drive into his work.

JACK MURPHY, an alumnus of H.H.S., is in his second year as assistant superintendent of the Herrin Unit. Jovial, kind, and understanding, Mr. Murphy demonstrates his character in his professional life. His duties are varied and many; yet he executes all with empathy and intelligence.

KENNETH RUSHING is Herrin High School's beloved and devoted principal. No problem is too minor for his attention. No student ever gets just cursory attention. Whether he is at a football or basketball game—which he loves—at church where his melodious voice rings out, or at school where the problems are many, Mr. Rushing is Mr. All-Around-Good-Guy personified.

UREY ROBERTSON, Herrin Unit's curriculum director, has little personal contact with students, but his fine hand is evident in the changes which take place in Herrin's schools.

RICHARD HENLEY serves as Herrin's assistant principal and athletic director. His job is perhaps one of the school's most important and varied. He deals with everyone from athletes to zany students.

FLOSSINE CARLISLE is the school's secretary and recorder.

RUTH ANN MANN handles all the high school's finances in her job as school treasurer.

HERRIN LOYALTY

We're all at your back, Herrin High.
 We're Orange and Black, Herrin High.
 We'll back you to stand against
 The best in the land,
 For we know you have sand, Herrin High.
 Rah! Rah!
 Go smash that blockade, Herrin High.
 Go crashing ahead, Herrin High.
 Our team is our fame protector,
 On boys, for we expect a victory
 From you, Herrin High.
 Chee he, Chee ha, Chee ha ha ha!
 Herrin High, Herrin High, Herrin High .
 Rah! Rah!

Fling out that dear old flag
 Of Orange and Black.
 Lead on your sons and daughters
 Fighting for you.
 Like men of old on giants,
 Placing reliance, shouting defiance.
 Oskey Wow Wow!
 Amid the broad green plains
 That nourish our land,
 For honest labor and for learning
 We stand
 And unto thee, we pledge
 Our hearts and hands,
 Dear Alma Mater, Herrin High.

CONGRATULATIONS, CLASS OF 1970

Herrin Graduates . . .

During the time it has taken you to reach this important point in your education, Container Stapling Corporation has grown from only an idea to the world's largest exclusive manufacturer of industrial stapling equipment.

Each day shipments leave our Herrin plant—or our complete factory in St. Niklaas, Belgium—destined for points with such intriguing names as: Morocco, Martinique, Istanbul, Aden, Cape Town, Ghana, Bombay, as well as hundreds of other places throughout the world.

Right now, Container Stapling machines and staples are being used to close corrugated boxes packed with everything from dates to data processing equipment—washers to washing machines—bananas to band saws.

In addition, Federal Wire Mill Corporation uses the most modern methods to manufacture staple wire and boxmakers' stitching wire. For instance, it is the only stitching wire mill in the United States to use high vacuum annealing furnaces—a direct industrial application of space technology.

We know you are proud of these two locally owned and operated industries. But we are equally proud of your achievements—and wish for you success and happiness in all of your future endeavors.
